## President's Notes

Well, I can't believe I've now completed two years as president, the time seems to have flown by , and yet my greater plan of making the theatre a thriving hub of the community wasn't quite as easy to achieve as I first thought. However, we are making steady progress, as we're attracting schools and choirs to use our facilities. So let's hope we can encourage younger people to feel welcome and safeguard the future of OUR theatre.

It's nice to know we're rehearsing/planning our next three shows , which will then lead us on to panto time. I'm sure there's still room for people to get involved in the old time music hall see calendar dates for information.

Due to me being so late with my contribution it is only fair that I pass on my apologies for this newsletter being so late , I wouldn't want anybody blaming the editor John , who has done a wonderful job, but is now retiring. As mentioned in the last SW we are looking for someone else to take over but the style and frequency of the edition will probably change. So thank you John for the many hours you have spent ..... chasing me for my notes.

As always thank you ALL for your hard work and commitment in keeping Trinity alive and kicking for another year .

Mike

## Treasurer's Report

Thanks to everyone who came along and supported the Community Quiz and raised £300 for the Isle of Wight branch of the British Red Cross, a very worthy cause.

We have also invested in the new lighting control wing which will be a great enhancement to the lighting system. This has been made possible by donations in memory Paul Redding. It is definitely an item Paul would have enjoyed using.

We have also had a boost to funds as membership fees have started coming. So if you haven't renewed your membership yet, please do as soon as possible.

Don't forget to come along and support the next great show *Annie*. Not to be missed!

John
